Bethel Evangelical and Reformed Church
in El Progreso, Honduras

and

UCC Congregations

in the Catoctin Association (9-17-08)

PLEASE SUPPORT OUR SCHOLARSHIP PROJECT IN HONDURAS!

This project was established in 2000, after our work teams saw the lack of educational opportunities for the children of Finca Ocho. The Scholarship Project enables children from the village and El Progreso to further their education through high school.

- To qualify for scholarship assistance, students must demonstrate academic ability and financial need. Parents must be supportive of their children's educational pursuits. Students must maintain good grades or their scholarships will not be renewed.

- Each scholarship student is awarded \$400 per year, which covers immunizations, uniforms, lunch fees, books and supplies, transportation costs, and related expenses. Funds are administered by our sister church, Iglesia Bethel.

- This year, we will continue to provide 28 scholarships of \$400/year for a total of 34 children. At the end of 2007, a total of 10 young people graduated by completing all six grades of high school through this program. The Catoctin Association is committed to supporting each enrolled child for the duration of their high school years. Thus, our goal for the school year beginning February, 09 is to raise \$8,000 by December, 2008.
